Re: **EX PARTE**  
*Intercarrier Compensation Reform; Developing a Unified Intercarrier Compensation  
Regime*, CC Docket No. 01-92

Dear Ms. Dortch:

On January 28, 2011, the undersigned, on behalf of T-Mobile USA, Inc. ("TMUS"), had separate telephone conversations with Jim Schlichting, deputy chief of the Wireless Telecommunications Bureau and Brad Gillen, wireline advisor to Commissioner Meredith Baker to discuss the above-captioned proceeding. The conversation focused on the intercarrier compensation reform proposal submitted by TMUS and Sprint in an ex parte dated January 21, 2011. I emphasized that it is particularly important for the Commission's reform efforts to address the evolution of the existing circuit switched network toward IP-enabled broadband.
